NOTE—Contn. sheet.

Copy of letter dated 1st May 1921 from Mr. D.S. Puttanna District Medical Officer, Shimoga District, to the Senior Surgeon with the Government of Mysore, Bangalore.

I beg to address you on the subject of my duty allowance for May and June 1921, as Lecturer in Surgery in the Medical School.

As you are aware, the school is closed for the vacation now and the allowance for these two months is not payable to any one else as no new Lecturer will be appointed in my place till the school reopens in July. Had I remained at Bangalore during the period, I would have drawn the allowance on the well-recognised principle that Teachers of schools and Colleges are entitled to their salary during vacation in virtue of their hard work during the working period. But my transfer to Shimoga just when the school term has closed has placed me in a disadvantageous position as I lose the allowance for the two months unless I am specially authorised to draw the same.

You know quite will what a difficult job it is for any one, and more especially to a busy officer like the Resident Medical Officer of a big institution like the Victoria Hospital, to lecture in a subject like Surgery in the Medical School: and yet I bore the brunt of the work ungrudgingly and have, I believe, given you every satisfaction in the discharge of my duties. It would be an unmerited hardship if I am deprived of the allowance on any technical ground.

I therefore beg of you to kindly move Government in the matter and obtain their sanction for the payment of the allowance in question during the two months referred to above. The amount involved is only Rs.150 and I would

I would not have troubled you in the matter but for the fact that my transfer to Shimoga has reduced my allowances from Rs.175 to Rs.50 only per month.
